# OUR APPROACH

**Culturally Responsive Tutoring:** Our tutors are not just instructors, they are partners in your students' learning journeys. Trained in cultural competency, they integrate Hawai'i's diverse cultural perspectives into their teaching to make learning more relevant and engaging.

**Small-Group Instruction:** We believe that personalized attention is key to student success. Our Competency-Based Learning model allows us to deliver tutoring in small groups, ensuring that each student receives the targeted support they need to thrive.

**Flexible Scheduling:** Understanding the unique rhythms of Hawai'i's communities, we offer tutoring services in various intervals (10-week, 20-week, 24-week, and 27-week), with both in-person and online options to fit into your students' lives.
